Postgraduate Institute for Medicine
Professional Excellence in Medical Education

- CALIFORNIA ACES ACADEMY - The Repressed Role of Adverse Childhood Experiences in Adult Well-Being, Disease and Social Functioning: Turning Gold into Lead
- Release date: October 5, 2020
  Expiration date: October 5, 2021
- Estimated time to complete activity: 1.5 hours
- Jointly provided by Postgraduate Institute for Medicine and Academy on Violence and Abuse

Target Audience
This activity is intended for physicians, physician assistants, registered nurses, nurse practitioners, psychologists and social workers engaged in the care of patients who have experienced violence or trauma.

Educational Objectives
After completing this activity, the participant should be better able to:

- Define Adverse Childhood Experiences (ACEs), their prevalence, and their impacts on health, including underlying biological mechanisms
- Identify and inquire about patients' prior traumatic experiences
- Identify strategies for using a trauma-informed approach to care and integrate this knowledge into patient care
- Assess and follow-up patient's progress on increasing their resilience

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and Academy on Violence and Abuse. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Continuing Medical Education
The Postgraduate Institute for Medicine designates this enduring material for a maximum of 1.5 *AMA PRA Category 1 Credit*(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Nursing Education
The maximum number of hours awarded for this Continuing Nursing Education activity is 1.5 contact hour.

California Board of Registered Nursing
Provider approved by the California Board of Registered Nursing, Provider Number 13485, for 1.5 contact hour.

Continuing Psychologist Education
Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

This program offers 1.5 continuing education credits for psychologists.

Continuing Social Work Education
As a Jointly Accredited Organization, Postgraduate Institute for Medicine is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Postgraduate Institute for Medicine maintain responsibility for this course. Social workers completing this course receive 1.5 clinical continuing education credits.

Disclosure of Conflicts of Interest
Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers, and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COI are thoroughly vetted and resolved according to PIM policy. PIM is committed to providing its learners with high quality activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.

Disclosure of Unlabeled Use
This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

Disclaimer
Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.
